

Come join Pup and Julius, on a fun-filled adventure to a place filled with colorful characters and unending mystery - land!

When poachers steal dozens of egg sacks from Pup's reef, he makes it his mission to save his brothers and sisters no matter how impossible the task may seem. His determination to make right what is wrong takes him above water, into Man's world - a landscape fraught with beauty and danger - an exciting destination the young bamboo shark could never ever have imagined! Afraid for Pup's safety, Julius embarks on his own quest to bring home his best pal. In an outlandish 'fish-suit', you will believe a shark can walk on land in this thrill-a-minute action, laugh out loud comedy, great for the entire family!
