

Active To Passive Voice Conversion Software

**Active voice**  
He breaks a chair  
He broke a chair  
He will break a chair  
He was breaking a chair  
He has broken a chair  
He had broken a chair  
He will have broken a chair  
Do not disturb the water  
Someone has stolen my scale

**Passive voice**  
A chair is broken by him  
A chair was broken by him  
A chair will be broken by him  
A chair is being broken by him  
A chair has been broken by him  
A chair had been broken by him  
A chair will have been broken by him  
Let the water not be disturbed  
My scale has been stolen

In a sentence, when the subject acts as verb then it is said to be active voice, whereas the subject is passive but it receives action then the verb is said to be passive voice.

e.g., Sanjay breaks a record.

This sentence represents that 'sanjay' does something . so it is active voice.

e.g., A record is broken by sanjay

In this sentence, the verb 'broken' points out that sanjay has done something. so it is passive voice.
