**BSOi! and Bandworm Records proudly present:
ASOCIALE „1990 - 2010” CD**

Asociale from Como (Italy) was born in the beginning of 1990, they were one of the best 90's Italian Oi! bands and for sure, an honest one that has always believed in what they were doing!

**„WE WERE SKINHEADS TRYING TO BE MUSICIANS,
NOT MUSICIANS TRYING TO BE SKINHEADS!”**

Now, in 2010, they are back again to celebrate the 20th anniversary of the band. They recorded three new cutting tracks: „Como Sud”, „Maoel Infame!” „Teams” and two covers: a completely rearranged version of „Asociale Oi!” of the legendary Nabat and an Italian version of the Chiswick's punk classic „Antisocial”. CD includes also all the old stuff: Ep. “Newum Comum” and songs from classic Havin'a laugh Records compilations.

Ivano Asociale: „We've not changed, the braces are just a memory but we were offstage for too many years. Now Asociale are a bunch of friends, and just like before, all we want is havin' a laugh, and havin' a say...FOR THE LOVE OF OI!”
