
Iresign For Windows

The image shows a screenshot of the iReSign application window. The window has a title bar with three standard macOS window control buttons (red, yellow, green) on the left and the title "iReSign" in the center. The main content area contains five input fields and several buttons. The first three input fields are for file paths: "ipa的路径", "mobileprovision的路径", and "entitlements.plist的路径". Each of these fields has a corresponding "浏览" (Browse) button to its right. The fourth input field is for the "需要修改的App ID" (App ID to be modified), which has a checked checkbox and the text "修改 ID" (Modify ID) to its right. The fifth input field is a dropdown menu labeled "请选择一个证书" (Please select a certificate) with a downward arrow icon on the right. At the bottom left of the window, the text "Please try again" is displayed. At the bottom right, there is a button labeled "重新签名!" (Resign!).

ipa的路径 浏览

mobileprovision的路径 浏览

entitlements.plist的路径 浏览

需要修改的App ID ☒ 修改 ID

请选择一个证书 ▼

Please try again 重新签名!
