The New Generation TGA drew knowledge from ancient Chinese teachings, combined it with our cutti edge EVFS system, and created a new curriculum. This lets our new generation children lean about Chinese lenguage and literature, using the communication a language areas from EVFS.

Traditional Chinese culture is vivid and rich. It can only be truly comprehended when students are immersed in real traditional cultural content and scenes. Thus, we used modern day theme-based learning to let the children step into the ancient world. By letting the learners travel back in time through this course, they can absorb the ancient civilization knowledge, estiguette and manners more easily.

Our Journey Through Time: The Classics Left By The Confucians

On their arrival at camp, the students needed to complete the formal enshrining ceremony so that they could become disciples of our school and begin their journey
