Recommended Best Practice Protocols for Institutions and Funders
Building on [Guidelines for the Postponement or Cancellation of Work](#), this announcement introduced a set of suggested best practice protocols for institutions for the compensation for online content, layoff and furlough transparency, and the distribution of emergency funding, April 13, 2020.

Guidelines for the Postponement or Cancellation of Work
This announcement introduced some basic guidelines to be used by artists and nonprofit institutions as we began to navigate the future of work in our field during the pandemic. March 27, 2020.

W A G E D A T A
During W.A.G.E. Certification's first 5 years of operation, over \$5.5 million was paid out in artist fees through nearly 7,000 transactions. Using data gathered through the program's administration, this three-level report is based on analysis by the Cornell University Survey Research Institute as commissioned by W.A.G.E. in September 2019 to mark the
