

# PraeBot full crack [hacked]

The screenshot displays the Betabot control panel. On the left, there are sections for 'General statistics', 'Connections', 'Components', and 'Logs'. The main area features an 'Overview' section with a 'Search' bar, a 'Top 5 Countries' pie chart, and a world map. Below these is a table listing individual bots with columns for Machine ID, Group, IP-v4, Location, Operating System, Install date, Version, AntiVirus, Killed, Status, and Options.
