**APPLICATION DESCRIPTION**

A PROFESSIONAL TOOL FOR JAZZ MUSICIANS AND JAZZ STUDENTS!

iReal Book is a collection of chord sheets of JAZZ standards, jazz classics, brazilian classics and more.  
Because of copyright law NO MELODIES OR LYRICS ARE INCLUDED, ONLY CHORDS.

Perfect for all instrumentalists and singers who accompany themselves.  
Even if you're just trying to figure out what tune to play, iReal Book can help - just browse by style or by composer to get some ideas.

See Video Demo of iReal Book on the support web site.

**Features:**

- 500 songs included (see support page for full list).
- Each Song can easily be transposed to any key.
- Chord sheet fits on one screen, no need to scroll.
- Big fonts legible from a distance.
- Option to disable screen auto-lock.
- Growing database of songs (requests accepted).

**Helpful Tips:**

- Setting the phone in Airplane Mode will prevent a phone call or an SMS from covering up the chord changes in critical situations.

For user support, to submit song requests, or to report errors in the chord changes please visit the support page.
