What is BULATS?

The Business Language Testing Service (BULATS) is designed to evaluate the level of language skills of candidates who need to use a foreign language (English, French, German or Spanish) in their work.

It is also suitable for students and employees on language courses or on professional/business courses where foreign language ability is an important part of the course. BULATS is designed and delivered by Cambridge ESOL in collaboration with leading experts in the assessment of French, German and Spanish:

- Alliance Française (French)
- Goethe-Institut (German)
- Universidad de Salamanca (Spanish).
