★★★★ THE TIMES OF INDIA ★★★★★ SUBHASH K JHA ★★★★★ BHAVINK SANOGBHI PLANETBOLLYWOOD.COM ★★★★★ ANURAG PANDEY FEVER FM ★★★★★ BHARATHI PRADHAN FILM STREET JOURNAL

Eros International & NextGen Films' R...Rajkumar is a visually striking, stylized and persuasively real film. Audiences will see the expensive canvas that it is shot in, depicted in a manner that is as real as it is raw. Shahid Kapoor essays the role of Rajkumar - a rugged, rebellious, passionate fighter who also has devilish charm. One moment he makes you feel really comfortable and the very next, completely ill at ease!

Rajkumar is sexy, brooding and raw!

Sonakshi Sinha plays the role of Chanda - a gorgeous, strong character. She is the niece of a poppy lord called Manik Parmar. Feisty, independent with a mind of her own, Chanda has you weak in the knees one moment and running for safety at the very next. A perfect amalgamation of sugar and spice.

R...Rajkumar - is a Romantic Action Love story set in dusty and rugged backdrop of the Hindi Heartland. A film that has out and out desi tracks (true dance numbers) with loads of intrigue, thrill and fun - a perfect entertainer by all means. The ravines shall tower high over the Poppy Fields, overlooking a dangerous foundation without law, justice or order. Prabhu Deva's next dhamakedaar entertainer will challenge, inspire, conjure and paint a nice landscape of good and evil in almost equal proportions pumping out high octane entertainment from the very first second !!

The film has a lot of cool visuals, fresh & crazy action (Prabhu ishyle) offering a different perspective representing what LIFE can be & a perfect balance between GOOD and EVIL!

While the high-octane film is essentially a love story about PYAAR PYAAR PYAAR ya MAAR MAAR MAAR it has all the ingredients of an out-and-out masala potboiler.
