The New Generation

w knowledge from ancient Chinese teachings, combined it with our cutting
S system, and created a new curriculum. This lets our new generation of
learn about Chinese language and literature, using the communication and

Traditional Chinese culture is vivid and rich, it can only be truly comprehended when students are immersed in real traditional cultural content and scenes. Thus, we used modern day theme-based learning to let the children step into the ancient world. By letting the learners stared lack in time through this course, they can absorb the ancient civilizations knowledge, etiquette and manners more easily.

Our Journey Through Time: The Classics Left By The Confucians

On their arrival at camp, the students needed to complete the formal embining
